While this isn't the July 18th that we originally envisioned, we can't express how special it is for us to adapt and celebrate our marriage with those who have been, are, and will continue to be most special to us both.

Over the last 1,111 days of our relationship, we've been constantly supported by everyone joining us this July 18 as our first date on a houseboat has turned into a life together (and a puppy) in Washington, DC. We can't thank you enough for each hug, each piece of advice, and each wonderful moment shared along the way. We can't wait for many more!
